Kaplan MCAT Biology, along with the other four books in our MCAT Review series, brings the Kaplan classroom experience to you—right in your home, at your convenience. This book offers the same Kaplan content review, strategies, and practice that make Kaplan the #1 choice for MCAT prep. All that's missing is the teacher.

Table of Contents

Knowing how to use biology and biochemistry information to interpret and solve more difficult problems is the key to a great MCAT score. However, without the foundational content, it is just as difficult to do well on the MCAT. As the official MCAT® prep of the American Medical Student Association, here are Kaplan's recommendations for what to know for the biology section of the MCAT.
