Free ebooks for download are hard to find unless you know the right websites. This article lists the seven best sites that offer completely free ebooks. If you're not sure what this is all about, read our introduction to ebooks first.

Final Solutions Biology Prejudice And

"Final Solutions is a book about the extreme horrors that arise when people take seriously the proposition that there are racial and national characters from which we cannot escape. Unlike other books on Nazi race theory, Final Solutions extends ideas of determinism beyond the purely biological into the cultural as well. Cultural determinism—the doctrine that our cultural heritage passed down by a process of unconscious acculturation is inescapable—differs only in a trivial mechanical ...

A Note from the Editor about "Final solutions: Biology ...

Final Solutions: Biology, Prejudice, and Genocide by Richard M. Lerner is an important book about the way in which biological determinist views of human behaviour have shaped social policy and have been used to justify persecution of certain groups, even to the ultimate horror of extermination of Jewish people by the Nazis.
