Sociology: Exploring the Architecture of Everyday Life: Readings underscores the "architecture" of social life—how we, as social beings, are always building and rebuilding our social environment. This anthology includes a range of styles and examples that reflect common experiences and phenomena; important social issues and problems; the relationship between the individual and society; and a sociological perspective on specific historic events.

sociology - SAGE Publications Inc

This new Brief Sixth Edition of David Newman's text is the streamlined version of Sociology: Exploring the Architecture of Everyday Life with the same goal: to be a textbook that, in the author's words, "reads like a real book."

Sociology | SAGE Publications Inc

In Sociology: Exploring the Architecture of Everyday Life, David Newman shows students how to see the "unfamiliar in the familiar"—to step back and see organization and predictability in their personal experiences. Through his approachable writing style and lively personal anecdotes, the author has maintained his goal from the first edition: to write a textbook that "reads like a real book."
