Slaying the Dragon: The History of Addiction Treatment and ...

We don't find the meaning of the hero's journey in slaying the dragon or saving the princess—these are colorful metaphors and symbols for a more significant purpose. Battling inner and outer demons, confronting bullies, and courting your ultimate mate symbolize a passage through the often-treacherous tunnel of self-discovery and individuation to mature adulthood.

SLAYING THE DRAGON—We each have our own inner struggles and worst nightmares. These are the dragons we cower from when they tell us to stop being who we are. We project them into events, situations, or people in the world around us, but they primarily lie within us. During this stage of the Journey, the hero's inner dragon is awakened.

Joseph Campbell speaks of slaying a dragon in the hero's journey. He describes the Dragon as the beast covered in scales that say 'thou shalt' and 'thou shalt not' The beast is a construction of all the rules, regulations, social obligations that have made you feel that you have to or have been made to do certain things.

Read Book Slaying The Dragon The Journey From The Dungeon To The Ivory Tower

Slaying the dragon means the death of beliefs and behaviors that are not of use to us anymore, repelling outside influences that undermine our unique soul purpose. To grow requires discarding outdated rules that we allowed to govern us, sometimes fomenting an inward battle plagued with fear but not being deterred by it.
