The Bronze Age of Comic Books is an informal name for a period in the history of American superhero comic books usually said to run from 1970 to 1984. It follows the Silver Age of Comic Books and is followed by the Modern Age of Comic Books. The Bronze Age retained many of the conventions of the Silver Age, with traditional superhero titles remaining the mainstay of the industry. However, a return of darker plot elements and storylines more related to relevant social issues, such as racism, bega
